Of Interest To Women.

To such women as are not seriously out of health, but who have exacting duties to perform, either in the way of household cares or in social duties and functions, which seriously tax their strength, as well as nursing mothers, Dr. Pierce's Favorite Prescription has proved a most valuable supporting tonic and invigorating nerve. By its timely use, much nervousness, which is often the result of overwork, is relieved, and the system is brought back to its normal state. The "Favorite Prescription" is a most valuable remedy for all the ailments of women, and is the only medicine that can be taken in good time. The "Favorite Prescription" has proven a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering childbirth safe, easy, and almost painless.

Bear in mind, please that Dr. Pierce's Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as to their composition and harmful character, but is a medicine of known composition, a full list of all its ingredients being printed, in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure, triple-refined glycerine taking the place of the commonly used alcohol, in its make-up. In this connection it may not be out of place to state that the "Favorite Prescription" is recommended by the only medicine put up for the cure of women's peculiar weaknesses and ailments, and sold through druggists, all the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which the "Favorite Prescription" is recommended. A little book of these endorsements will be sent to any address, post-paid, and absolutely free if you request same by postal card, or letter, of Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. Easy to take as candy.

OPEN PULPIT ASSAILED.

Assailing the "open pulpit" legislation of the Episcopal Church at the Richmond general convention last year, which permits clergymen of other denominations to speak from its pulpits, Rev. Dr. William McGarvey, of St. Elizabeth's Church, Philadelphia, with in the last day or two has distributed copies of a pamphlet which has assailed the Episcopal ministry in all parts of the country.

In the pamphlet, which bears the title, "The Open Pulpit in the Episcopal Church," and which characterizes the legislation as "revolutionary" and "destructive," the author not only decries the law, but goes further, and without respect to persons, passes scathing criticism upon the bishops of the church, "the ones most responsible," for their acquiescence in the measure.

According to his idea, the Episcopal Church of today is facing a situation the "seriousness of which cannot be exaggerated."

"Throughout the whole history of the Episcopal Church," he writes, "never was there such a condition of affairs as now confronts us. Our supply of clergy is diminishing at an appalling rate, and our influence is waning in places where once it was strongest."

In another place he says that the "open pulpit" will in the end make the "high churchman who still preaches apostolic succession the laughing stock of both Protestant and Roman Catholics, as a man lacking in logical sense;" and again, that "it makes possible the admission to our pulpits of heretical ministers as teachers of souls."

In conclusion Dr. McGarvey says: "Of course, the persons who will be sought for, and for whom this clause of the canon was specially framed, are the ministers of the various Protestant bodies. Now who are these ministers? They are ministers of sects whose very existence was the result of the rejection of the teaching and authority of the church to which we belong, sects which deny what we hitherto, if no longer, have regarded as fundamentally essential to the integrity of the gospel."

"A Unitarian minister, the avowed blasphemer of the divinity of the Son of God, may, under this canon, be legally invited into our pulpits."

"And what will a Protestant minister teach? Anything he pleases. The canon places no restrictions upon him, so that one of our congregations may have in turn the Baptist minister explaining the foolishness of infant baptism, the Presbyterian demonstrating the novelty of episcopacy, the Quaker showing the uselessness of all sacraments, the Unitarian emptying the Scriptures of all witness to the divinity of Christ and the Universalist comforting the bewildered Episcopalian with the assurance that, however great may be his confusion now, he has at least nothing to fear beyond the grave."

"We certainly could not expect they would be so lacking in self-respect as for the time to divest themselves of denominational office and principles and to play the part of Episcopalian clergymen."

Cause of Stomach Troubles.

When a man has trouble with his stomach you may know that he is eating more than he should or of some article of food or drink not suited to his age or occupation, or that his bowels are habitually constipated. Take Chamberlain's Stomach and Liver Tablets to regulate the bowels and improve the digestion and see if the trouble does not disappear. Ask for a free sample. Sold by W. F. Creighton and Richard Gibson.

Kennedy's Laxative Cough Syrup acts gently yet promptly on the bowels and allays inflammation at the same time. It is pleasant to take. Sold by W. F. Creighton & Co.

MURDERER SURRENDERS.

Frank Johnson, colored, who murdered Mrs. Carl Martin, colored, at Gypsy, near Clarkeburg, W. Va., Tuesday, because she refused to elope with him, surrendered to Sheriff Flanagan yesterday afternoon, but not until he had shot and seriously wounded three members of the sheriff's posse, who surrounded the negro in a barn nine miles from Clarkeburg.

There were 2,000 persons around the barn, and up until noon the negro held them at bay with a rifle. During the siege a number of shots were exchanged between the crowd and Johnson.

Shortly before 3 o'clock yesterday evening Johnson signaled to the sheriff that he would surrender if guaranteed protection from a mob. This the sheriff did. Johnson was then disarmed and placed under arrest. The sheriff and a company of deputies, with drawn rifles, formed around Johnson and forced their way through the mob when the county jail was reached. The prisoner was taken through the parlor of the sheriff's residence into the prison. So quickly was Johnson hurried through the crowd that there was little opportunity for a demonstration of violence that had been feared.

It had been determined to dynamite the barn if Johnson did not surrender.
